May 2017

It's hard to believe it is already May. This month brings us the season of STAAR testing. Please be sure to be mindful of the dates that your child will be testing and make sure that they get plenty of rest the night before, eat a healthy breakfast, and arrive to school on time. Once we get testing behind us, we will end the year with the 8th grade dance, awards, and Field Day. We look forward to all the events on the calendar and to bring yet another great school year to a close. Thank you for your partnership in the education of your student.
