

Parents,
Since we have so many activities in Dec. and then we will be starting our new year I thought I would do a Dec. newsletter and then another in Jan. After that there will be others which will be Feb/March and April/May.

What's Happening at WSE In December

- 1st - 5th Grade Field Trip
- 6th - 6:00 2nd Grade Music Program
- 9th - 1:00 School Spelling Bee 3rd-5th grade
- 16th - Holiday Parties
1:35 Early Release
- 19th - Jan. 2nd Holiday Break

I hope that you and your family had a blessed Thanksgiving with family. I am sure that your children enjoyed the week off.

Important Reminder

This year, students will not return to school until Tuesday Jan. 3rd. Monday will be a staff development day for all staff. This is different from the past so please make plans accordingly.

Traffic

I want to thank you for continuing to help us with our traffic. It looks like the majority of people are only turning right to enter the school and right out of the school. This really helps with our flow. It has also seemed to help that our time has changed and it is light earlier. We are having fewer students tardy each day. Thank you for also being aware of the start time and getting your child to school a little earlier. It helps them to get into class with everyone else and get settled for the day. When they are late it seems to throw off their whole day.

Our wish for you and your family during this holiday season is that you get to spend time with family and friends with lots of food and good cheer!

Merry Christmas and Happy New Year to you and yours!
See you 2017.
