Welcome to Voss Farms Elementary

Parents,

We have made it to week 6 and we are getting more settled into our new school. Hopefully you were able to access your child's progress report through TxConnct. If not it may be that you have not set up your account. If you did not receive it, please call the main office number and Ms. Martinez our wonderful PEIMS clerk can help you get it set up. This is also how you are able to access your child's grades on a daily basis and check their attendance. If you are not, please get set up so you have access to this important information.

PTA

If you have not joined our PTA please consider doing so. They are doing so many wonderful things for our school. We have just completed our first fundraiser. We are waiting on the final numbers to come in but it looks as though it was very successful. They are also working on our Fall Carnival. Please consider helping them by donating an auction item, prizes or working a shift at a booth.
