

VFE Parent Newsletter

February 2018

Parents,
Wow, we are down to only 4 months of school left. The time is passing so quickly. Every minute we have of these last 4 months are valuable in us getting your child prepared for the next grade level. Please make sure your child is at school everyday if possible and that they are not taken out early unless it is absolutely necessary. We have recently taken benchmarks in all grade levels so make a point to find out how your child did and talk to their teachers if you have concerns.

Flu Concerns

We are doing everything we can at school to try and keep your children healthy while they are at school. We are encouraging them to wash their hands often, cough or sneeze into their elbows and stay home if they have fever. Please help us with this outbreak by keeping your child home if they are running a fever or have flu symptoms. We are also trying to track the number of cases we have and are watching siblings of students that have been diagnosed with it, so please let the school or school nurse know if your child has been diagnosed with the flu.

Our School Pledge

At VFE we are
STARRS

Safe

Responsible
Respectful

Valentine's Dance

Our first Valentine's Dance is on Thursday night. This is a fundraiser for our school, but more than that, it is just a time for our students and parents to enjoy a fun time and each other's company. A parent must accompany all students that attend. The dance is from 6:00-7:30 in the gym and cafeteria.
