

VFE Parent Newsletter

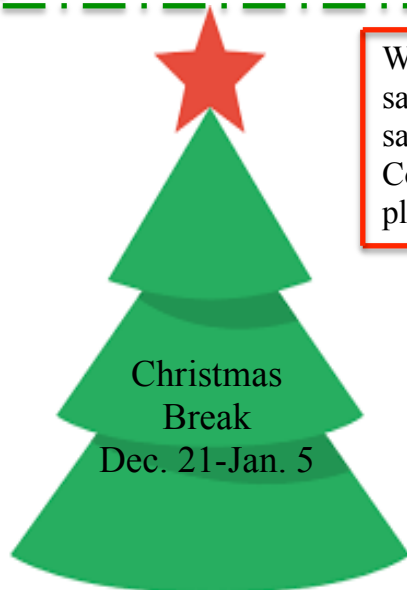

December, 2017

Parents,

We made it through Thanksgiving and now we move into the Christmas holiday season. This is such a busy but fun time for the children. We have set up a tree in the office with ornaments on it. These ornaments each have a child's wishes for Christmas on it. Our goal is to share some Christmas spirit with 60 of our VFE children that might not be able to enjoy Christmas. Please stop by if you are able to help us sponsor a child. This can be a great activity for our children in showing the importance of giving to others that are less fortunate.

Attendance and Tardies

We are really tracking our attendance and tardies this year. If your child is sick we want them to stay home but also want them to know the importance of being at school if they are not sick. Also, students are tardy if they are not in the building by 7:30. It is hard for students if they are late coming in when everyone else has already settled in.

We know that with recent events you may be concerned about your child's safety while they are at school. We want to assure you that we have a safety plan in place. This plan was made with the help of the Comal County Constable. We feel confident that we have the best plan possible in place.

If you need to change your child's way of getting home in the afternoons please call the office by 2:00pm to insure that we can get them the message.

Also, please help us by not dropping your child/children off in the front parking lot. They have to cross traffic and it is not safe. We try our best to keep all the kids safe but with cars coming through the drop off area it is hard to watch everyone coming from different directions.

Our School Pledge

At VFE we are

STARRS

Safe

Trustworthy

Accepting

Responsible

Respectful

Dates to Remember in December

Dec. 7 Group Pictures

Dec. 11 PTA Santa Pictures

Dec. 19 2nd Grade Music Program
