

Student Services Team

Below is our list of grade level Assistant Principals and Counselors. We are here to help with your questions and concerns.

With any situation, we ask you to have an initial conversation with your child's teacher or coach. Should the issue not be resolved, a grade level Assistant Principal or Counselor will provide support as needed.

In emergency situations, we will assist immediately without following the above-mentioned protocol.

Assistant Principals

Nicole Hernandez

Assistant Principal - 7th Grade
(830) 627-6275
nicolehernandez@nbisd.org
